

JANUARY 2019

TO: CIB REGULAR MEMBERS, CIB SPECIALTY MEMBERS, and
NON-MEMBER COMPANIES WHO ASSIGNED BARGAINING
RIGHTS

FROM: Roger D. Huebner, Executive Vice President
Central Illinois Builders of AGC

RE: TERMINATION OF LABOR AGREEMENTS

This notification is intended to advise you of necessary procedures should your company wish to terminate any labor agreement which expires in 2019.

When terminating any labor agreement for which the CIB/AGC holds your bargaining authority, either through letter of assent or signatory status, you must first withdraw from the multi-employer bargaining group by withdrawing your bargaining rights. This must be done in writing prior to the commencement of formal negotiations. After withdrawing from the bargaining unit, you must separately send termination notice to the union within the specific designated timeframe provided within the currently enforceable contract. Necessary contact information for various local unions is available on CIB's website – www.cibagc.org.

It is important that you be aware that withdrawal of bargaining authority from Central Illinois Builders of AGC does not relieve the employer of the obligation to serve proper notice of termination of a labor agreement to the appropriate union. Therefore, CIB recommends reassignment of bargaining rights to the Association. Any firm intending to terminate a Section 9(a) labor agreement after withdrawing bargaining authority from the Association and giving timely termination notice to the union, retains the additional obligation to bargain with the appropriate union concerning the continuation of that agreement. Contractors intending to terminate a Section 8(f) agreement have no obligation to negotiate a successor agreement. During the entire termination process the Association can provide companies with advice, but cannot represent them directly, as you will have withdrawn from the Association your rights and authority to bargaining with the Union.

Firms initiating the termination procedures described above are reminded that all obligations under existing Agreements will continue until the appropriate Agreement terminates. Contractors are advised that potential withdrawal liabilities relative to the Employee Retirement Income Security Act (ERISA) Regulations governing Pension Trust Funds may exist when terminating an Agreement. Additionally, members considering terminating an Agreement(s) are advised to consult legal counsel prior to initiating the termination process.

Below are the expiration dates of various agreements set to expire in 2019 and the "window period" during which the union must be notified of a company's intent to terminate the Agreement:

LABORERS, SOUTHERN AND CENTRAL DISTRICT COUNCIL

The conditions of employment set forth shall prevail from May 1, 2018 through April 30, 2019, and shall continue in effect from year to year thereafter unless either party to this agreement gives **sixty (60) days or more** written notice prior to the expiration date of this agreement by Registered or Certified Mail.

CEMENT MASONS LOCAL #143 (CHAMPAIGN)

This Agreement shall be effective as of May 1st, 2016 and shall remain in full force and effect until midnight April 30th, 2019 and shall continue in force from year to year thereafter, except that by written notice given by either party at least sixty (60) days, but not more than ninety (90) days, prior to the expiration date, either party may notify the other of its desire to amend, modify or terminate this Agreement.

TILESETTERS LOCAL #8

This Agreement shall be effective as of May 1st, 2016 and shall remain in full force and effect through April 30th, 2019 and shall continue in force from year to year thereafter, except that upon written notice given by either party at least sixty (60) days prior to April 30th, 2019 or any year thereafter, either party may notify the other of its desire to amend, modify or terminate this Agreement.

ROOFERS LOCAL 97

This Agreement shall be effective as of June 1st, 2016 and shall remain in full force and effect through May 31st, 2019 and shall continue in force from year to year thereafter, except that upon written notice given by either party at least sixty (60) days prior to May 31st, 2019 or any year thereafter, either party may notify the other of its desire to amend, modify or terminate this Agreement.

While termination of any labor agreement remains the responsibility of each individual employer, questions concerning any aspect of the termination procedure mentioned herein should be directed to the Roger Huebner at rhuebner@cibagc.org or 217/744-2100.

Below is a sample “Revocation of Bargaining Rights” and “Termination” letter, applicable to the appropriate agreements to be terminated along with a list of addresses to which these notices must be sent. Also included in this mailing is an assignment of bargaining rights form for 2019. Please return this form to the CIB office indicating which agreements you wish to assign bargaining rights for. Members questioning whether or not they are currently signed to a specific labor agreement through the CIB/AGC should contact the CIB Office.
