

Illinois Construction Industry Committee report 3.22.24

This week, Illinois held its primary election on Tuesday, March 19, 2024. There were a few surprises. Mayor Brandon Johnson's Bring Chicago Home tax measure failed. Advocates for the tax increase are considering their next steps. Also, a few incumbents did not retain their seats, including State Representative Mary Flowers, a 36-year veteran legislator. First timer Senator Natalie Toro also failed to retain her seat in the Illinois Senate. Please see the below results for each legislative district.

Next week the Illinois House and the Senate will be on Easter Break. Please note that the DBP Team will not issue a weekly report. We will resume when the legislature is back in session.

The House is scheduled to return to Springfield on **Tuesday, April 2, 2024**. The House deadline for substantive bills to move out of committee and advance in the legislative process is **Friday, April 5, 2024**.

The Senate is scheduled to return on **Tuesday, April 9, 2024**. The Senate’s third reading deadline to pass substantive bills out of the chamber is **Friday, April 12, 2024**.

Please let us know if you have questions or comments on any of the bills listed in your report. We will continue to monitor legislation and advise you of any changes that may impact your organization.

Thank you
