

## Legislative Report Week of May 5 – May 10, 2024

To: Members of ICIC

From: Jack Dorgan, Kim McCullough-Starks, Ashlyn Deakin Sodowski

Date: May 10, 2024

Subject: Legislative Activity

This week in Springfield legislators continued to pass bills out of committee and out of the chambers as there are only a couple weeks remaining in the 2024 Spring Session. Next week the House and the Senate have a substantive bill 3<sup>rd</sup> reading deadline on Friday, May 17, 2024. The legislature is scheduled to end session on Friday, May 24, 2024, with dates reserved through Friday, May 31, 2024, in the event a budget hasn't been finalized.

Please find attached your updated legislative report. While we have removed bills that don't appear to be moving forward at this time, we continue to track them and monitor all amendments for the inclusion of language that may impact your organization.

As you review the report, please note that amendments may have been filed on a bill since our last report. If an amendment was filed, for your convenience, we have included a synopsis and a link to the amendment language in the bill description column immediately below the bill summary. Please let us know if you have questions or comments on any of the bills. We will continue to monitor legislation that may impact your organization as bills move through the legislative process.

Synopsis - HCA#1 - Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that the Illinois State Police (rather than the Department of Transportation) shall establish and administer the Highway Work Zone Speed Control Pilot Program. Provides that the Illinois State Police (rather than the Department of Transportation) shall install and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits (rather than when highway construction or maintenance is occurring and when workers are present). Provides that the Illinois State Police (rather than the Department of Transportation) shall conduct a public information campaign for the Program. Removes provisions regarding maintenance of automated traffic control systems. Provides that the Illinois State Police (rather than the Department of Transportation) shall employ automated traffic control system operators. Removes provisions regarding specified requirements, duties, and restrictions for automated traffic control system operators. Provides that the Illinois State Police may adopt rules to establish requirements, duties, or restrictions for automated traffic control system operators. Removes provisions regarding liability, defenses, and civil penalties for violations. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit is guilty of a civil law violation, with a fine of \$100 to \$200, with specifications regarding the fine. Provides that a person found to have committed a third or subsequent violation, and found to have failed to pay all fines and costs within 30 days, is guilty of a separate civil law violation. Removes provisions regarding administrative reporting requirements. Provides that the Illinois State Police may conduct procurement and adopt rules to implement and administer the Act (rather than the Department of Transportation shall adopt rules including rules establishing procedures for notices, hearings, and appeals). Removes the definitions of "Authority" and "Department". Makes technical and other changes. Effective January 1, 2027, except that provisions regarding procurement and rulemaking are effective immediately.

House Floor Amendment #2 - adopted

Synopsis - HFA#2 - Replaces everything after the enacting clause with the provisions of House Amendment No. 1 with the following changes. Creates the Highway Work Zone Speed Control Program (rather than Highway Work Zone Speed Control Pilot Program). Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police (rather than only the Illinois State Police), shall establish the Highway Work Zone Speed Control Program. Provides that the Illinois Department of Transportation, in coordination with the Illinois State Police and Illinois State Toll Highway Authority (rather than the Illinois State Police in coordination with the Department of Transportation and Illinois State Toll Highway Authority), shall administer the Program. Provides that the Illinois Department of Transportation (rather than the Illinois State Police) may enter into an agreement with a third-party vendor to assist in the administration of the program. Provides that the Illinois State Police in conjunction with the Illinois Department of Transportation and the Illinois Tollway Authority shall install, set up, and operate automated traffic control systems in certain areas (rather than the Illinois State Police shall install and operate automated traffic control systems in certain areas). Provides that the Illinois State Police and the Illinois Department of Transportation may (rather than the Illinois State Police shall) conduct a public information campaign. Provides that signs indicating that work zone speeds are enforced by automated traffic control systems must be clearly posted in the areas where the systems are in use (rather than the Department of Transportation, in coordination with the Illinois State Police, shall post before the entrance to a construction or maintenance speed zone in which an automated traffic control system is in use signage indicating that the work zone speed limit is being monitored by an automated traffic control system). Provides that the Illinois Department of Transportation (rather than the Illinois State Police) shall employ automated traffic control system operators and may adopt rules necessary to establish requirements, duties, or restrictions concerning automated traffic control system operators. In a provision regarding a civil law violation and subsequent fine, provides that moneys designated for the Illinois Department of Transportation shall be remitted by the circuit court clerk within one month after receipt for deposit into the Transportation Safety Highway Hire-back Fund. Provides that a civil law violation under this Act to a motor vehicle rental or leasing company shall be dismissed if the company responds to the civil law violation within 30 days of the mailing with an affidavit of non-liability and a copy of the driver's license number, name, and address of the renter or lessee.

House Floor Amendment #3 - tabled, not moving forward

House Floor Amendment #4 - adopted

Synopsis - HFA#4 - Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by House Amendment No. 1, with changes that include the following. Provides that the amendatory Act may be referred to as the Health Care Protection Act. In the Network Adequacy and Transparency Act, provides that the Department of Insurance shall enforce certain network adequacy and transparency standards for stand-alone dental plans for plans amended, delivered, issued, or renewed on or after January 1, 2025. Provides that for the Department to enforce any new or modified federal standard before the Department adopts the standard by rule, the Department must, no later than May 15 before the start of the plan year, give public notice to the affected health insurance issuers through a bulletin. Further amends the Illinois Insurance Code, makes changes concerning provider directories. Creates the Uniform Electronic Provider Directory Information Form Task Force. Requires the Department of Insurance, with input from the Uniform Electronic Provider Directory Information Form Task Force, to develop and publish a uniform electronic provider directory information form that issuers shall make available to providers to notify the issuer of the provider's currently accurate provider directory information. Provides that certain provisions concerning prosthetic and customized orthotic devices do not apply to certain other fixed indemnities. Requires the Department to create a template for drug formularies by March 31, 2025. With regard to a prohibition on certain step therapy requirements, removes an exception for the Department of Healthcare and Family services. Makes changes concerning the calculation of a cost-sharing reduction defunding adjustment factor; retrospective review of coverage for inpatient mental health treatment at participating hospitals; the definition of "step therapy requirement"; concurrent review; and standards for utilization review criteria. Makes other changes. Amends the Illinois Health Benefits Exchange Law. Provides that beginning for plan year 2026, if a health insurance issuer offers a product as defined under federal regulations at the gold or silver level through the Illinois Health Benefits Exchange, the issuer must offer that product at both the gold and silver levels. Provides that no later than October 1, 2025 (rather than July 1, 2025), insurance companies that use a drug formulary shall post the formulary on their websites. Amends the Managed Care Reform and Patient Rights Act. Makes changes concerning definitions and utilization review programs. Further amends the Prior Authorization Reform Act. Changes the definition of "medically necessary". Amends the Illinois Public Aid Code. Makes changes concerning the applicability of the Managed Care Reform and Patient Rights Act to the Code. Effective January 1, 2025.

Directs the Illinois Environmental Protection Agency to conduct statewide sampling of certain community water supplies for the presence of 1,4-Dioxane (rather than directs the Agency to propose, and the Pollution Control Board to adopt, rules establishing State-only maximum contaminant levels for likely or known carcinogens found in public drinking water systems). Provides that within one year of the promulgation by the United States Environmental Protection Agency (USEPA) of regulations or amendments establishing maximum contaminant levels (MCLs) for any PFAS, the Board shall adopt rules which are identical in substance to such federal regulations or amendments. Provides that the Agency shall, by June 30, 2026, conduct sampling of the Illinois community water supplies previously sampled by the Agency for 1,4-Dioxane from the years 2013 through 2015 (rather than the Agency shall conduct an initial study on primary drinking water standards and, by no later than June 30, 2025, present its findings to the General Assembly for the purpose of implementing a State-only MCL for carcinogens and toxic chemicals that are likely to pose a substantial health hazard). Provides that if the results of such sampling detect drinking water levels of 1,4-Dioxane in excess of the USEPA Health Reference Level of 35 micrograms per liter, the Agency shall (rather than the Agency shall, with no prefatory condition), within 2 years after June 30, 2026 (rather than 2025), take all actions needed to obtain expertise to propose rules to establish a State-only MCL for 1,4-Dioxane (rather than for carcinogens and toxic chemicals likely to pose a substantial health hazard). Provides that, by no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules to establish a State-only MCL for 1,4-Dioxane (rather than no later than June 30, 2029, the Agency shall propose, and, by no later than June 30, 2030, the Board shall adopt, amendments to the Board rules that establish State-only MCLs for carcinogens and toxic chemicals that are likely to pose a substantial health hazard, with certain requirements).
